WHAT IS A SCHOOL?

BUILDINGS

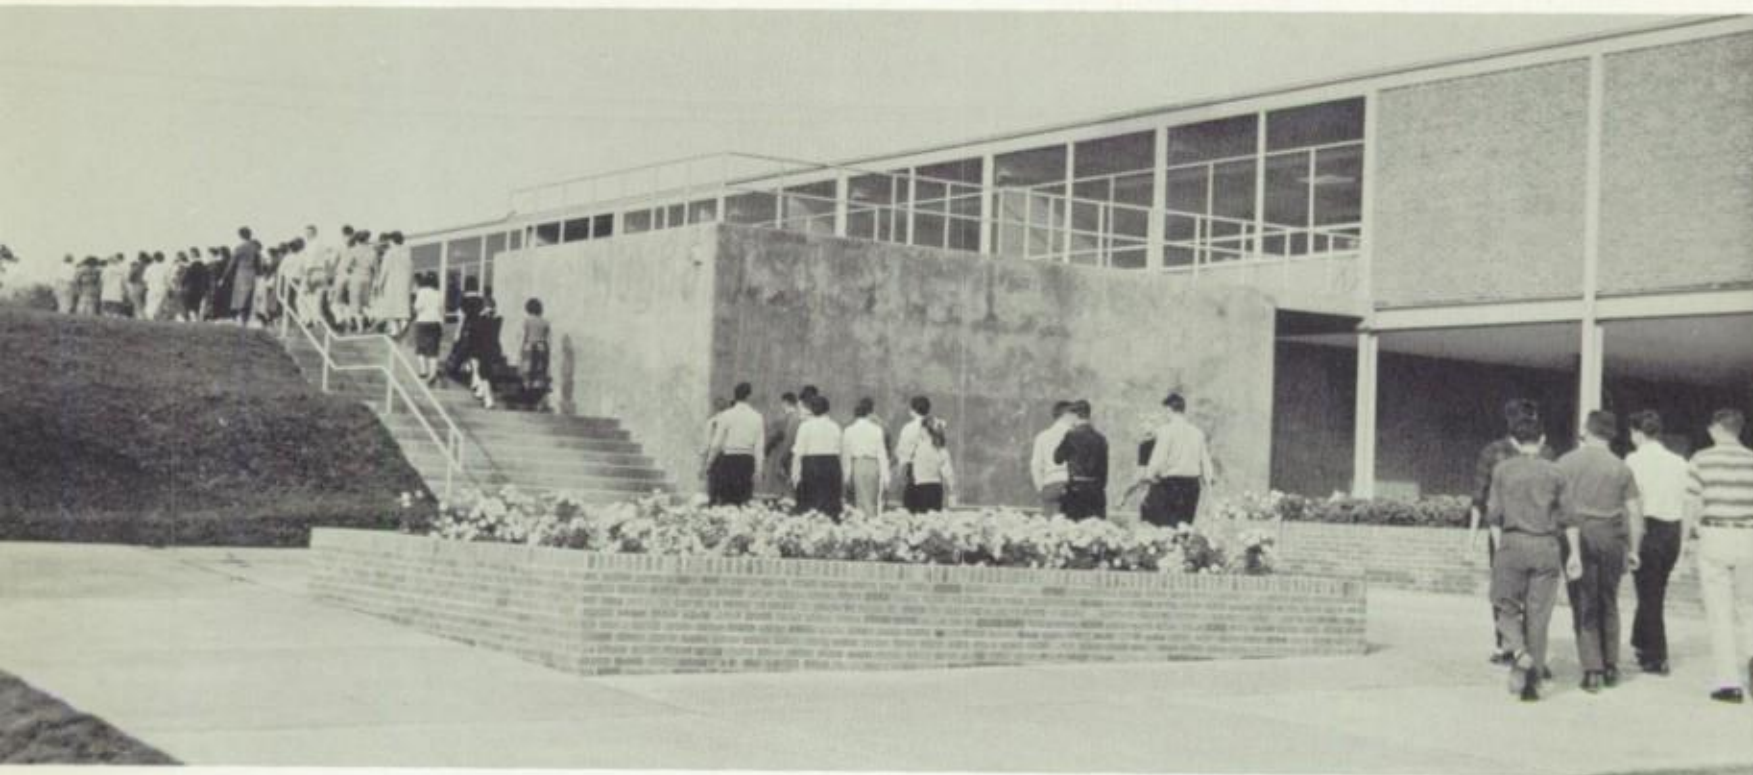

First, and most obviously, the character of a school is evidenced by its buildings. Our buildings are long and low with strikingly modern design and vivid patterns of color in unexpected places. Precise geometric figures characterize all the buildings; there is the towering cylinder of the boiler room smoke stack, the triangular cornices crowning the circular library, and the rows of hemispherical domes that cover the ceiling skylights. The wide-spread plan of the building enables us to distinguish proudly between the upper campus and the lower campus. Our buildings are high on a hill, a new school overlooking a rising community in a new decade.

The boiler-room smokestack, a symbol of the school visible from miles away, pierces the horizon.

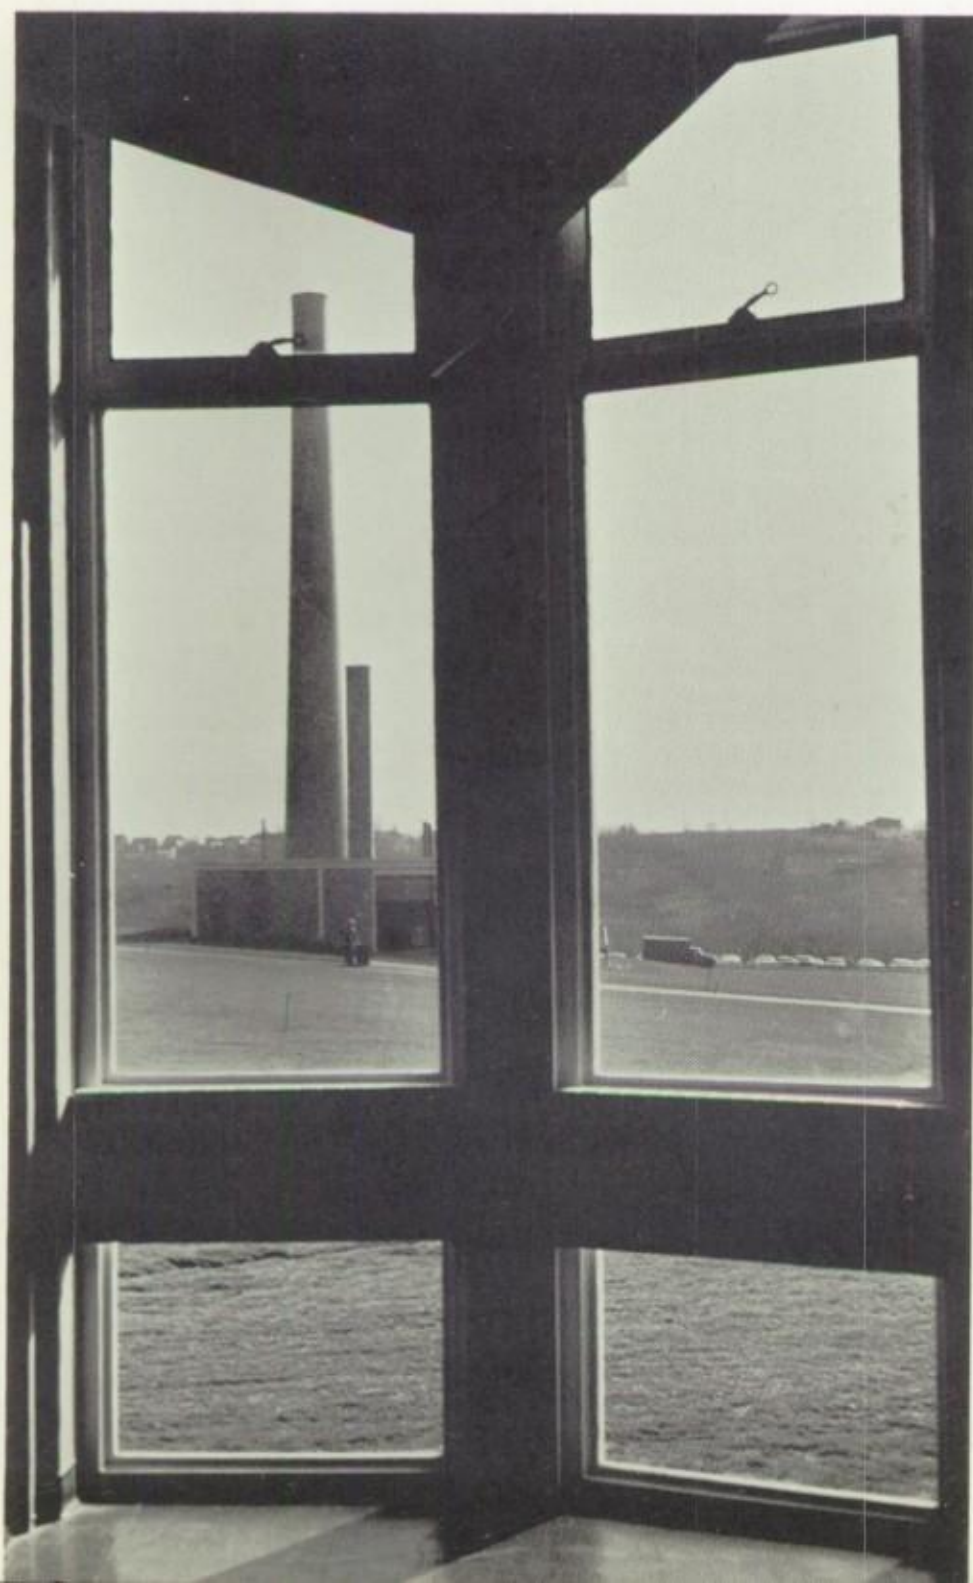

A row of lockers stands deserted just before the seventh period bell rings.

For,
you a boy
I have to dance
with you, who's
you might be a little
crazy with your little
quackie guy!
Yours
Marilyn

Students return to Academic Building 2 after a fire drill.

Workers hurry to complete the gymnasium.

Clearly illustrating the precise geometric lines which characterize all the buildings is this view of the boiler room and smokestack from a library window.

Students waiting for the buses' second trip home.

Interest at the student bulletin board.

A board transversing a puddle, mud in place of a path, two difficulties faced by students in a new school.

STUDENTS

Observing a school more closely one sees, of course, the students. In Bethel High School the students are in a completely new environment, an environment which is slightly handicapping since some of the buildings are not complete. One sees a student grumbling about having to walk through a construction area on an always-muddy path, a group of boys complaining about the absence of gym class, another group about the lack of assemblies. But in the usual manner of people it is always easier to complain than to praise and most Bethel students are definitely proud of the new school. Although the school is new, the students are the same, and as it always has been, the seniors work harder than they ever have before, the juniors rejoice in not being the youngest anymore, and the sophomores thrill to at last being in high school.

A single student in proportion to an empty hall.

A campus school means a change of building with a change of class.

The sign of education taking place in an entirely new environment.

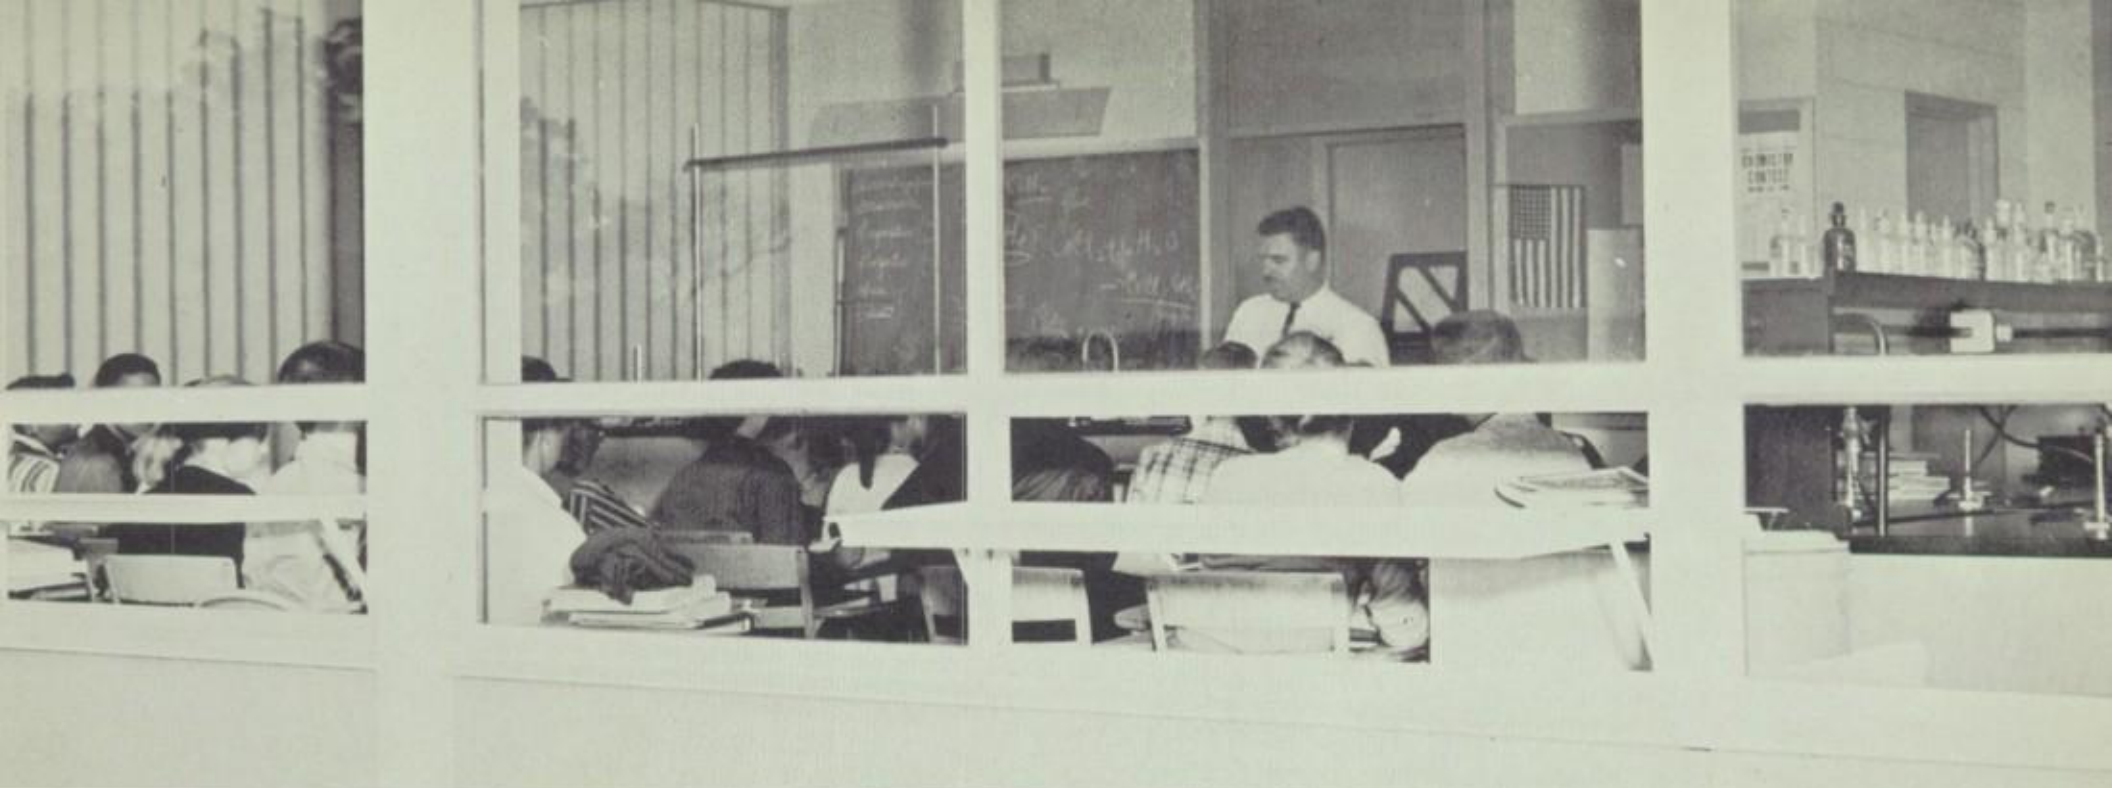

EDUCATION

Attentiveness giving evidence to a desire for education.

Reading, one of the facets of education.

A glimpse of education in chemistry.

Most importantly a school means education. Corresponding in time with the new buildings is the newly expanded curriculum offered by Bethel High School to better the education it provides. Here we outrank many schools by offering three years each of four languages, two-year courses in chemistry and physics, in addition to a one-year course in biology, various advanced math studies, an advanced course in English composition, several specialized courses in speech, reading, and

journalism, as well as the standard English and social studies. Bethel offers, too, extensive training in the various commercial and business fields. But education includes extracurricular activities too, and Bethel is definitely advancing in this field as evidenced by the addition of two national honorary societies in the past year.

Bethel, the community, is expanding every year, and Bethel, the high school, is expanding with it.

A class devoted to providing an education in French.

TO THE CLASS OF 1960

Each of you will, I hope, always proudly say, "I was a member of the first class to be graduated from Bethel Senior High School!"

You, as the first Senior Class, have had the privilege of occupying the finest facilities anywhere in the country, among a student body that is second to none. You have helped to establish standards, lay the foundation for traditions, and develop an *esprit de corps* that will make you and those who follow proud of being Bethel graduates.

The experiences you had, the learning you acquired, the friendships you formed will all be a part of your memories. Memories are wonderful, but you cannot live on them alone. The affairs of yesterday will be worth remembering tomorrow in proportion to the things you do, the way you conduct yourselves in your personal and work activities, and the progress you make.

Your future depends upon your continued attention to the development of the knowledge, skills, attitudes, and ideals for which your classroom work provided background. You will have to apply yourselves diligently to the tasks ahead, whatever they may be; you will have to further your education—formally or informally—to achieve worthwhile goals.

Further the ideals you have helped to create; continue to improve yourselves in every way so that you may fully enjoy your memories and, at the same time, help yourselves and those about you.

May your future be rich in health, happiness, and success, and may your interest in and support of Bethel's schools grow with you.

Herb A. Siedle

TO THE CLASS OF 1960

The past year has been a historical one for the class of 1960. You have helped to initiate an educational program in our community that will have a great effect on all future classes that attend Bethel High School. You have planted the seeds that someday will become the roots; you have developed programs that will become the customs and traditions; you have contributed a spirit of understanding that will demand self-discipline for all that follow.

It will be easy to remember the class of sixty since you bring the decade to a close, and also become the first graduates of the new high school. However, you will be more easily remembered for your outstanding achievements in scholarship, activities, athletics, and leadership. You have achieved under difficult conditions. Where others may have accepted adversity with resignation, you have conquered it with determination and vigor.

A new decade is on the horizon. The problems it holds for you and our nation will be more difficult than any problems that you encountered in your school life. Constant international tensions, national conflicts economic and social, and personal hardships will become a part of your daily lives. Face them squarely with the same pioneer spirit that characterized your class and success will be yours.

During the next decade, you will migrate to all parts of our nation and perhaps to other parts of the world. You will also undertake various tasks as mature citizens in our democratic society. I sincerely wish that all of you find success and happiness in your chosen careers. I hope that each of you will accept your class motto; "We have crossed the bay, the ocean lies before us," as a personal challenge. The ocean of life is before you. Navigate it wisely; beware of its storms; master its wisdoms; and you'll reach a meaningful destination.

Robert will be remembered as an outstanding member of the class of 1960 long after graduation.

SENIOR CLASS HISTORY

We began our careers in Senior High School as cocky sophomores. The projects we undertook were relatively minor. Our officers, Bob Allan, Joe Daniels, Phil DeHuff, led us in sponsoring two dances and helped us organize the sale of pencils and pennants. The proceeds were directed toward our approaching Prom.

In our junior year we chose Bob Allan, Bob Watson, Phil DeHuff, and Don Murray to lead us. Our biggest concerns were receiving our class rings and presenting "Stairway to the Stars," the prom, for the seniors. Various junior projects supplemented our sophomore funds toward financing the prom. The annual sale of Christmas cards and the presentation of four one-act plays contributed toward the total sum. "Stairway to the Stars" was deemed a success and marked the biggest accomplishment of our junior year.

We entered our senior year with a new principal, Mr. Owsiany, and a new campus-type school. Guiding us were Bob Allan, Ann McBath, Karen Abel, and Dave Kercher. We began our activities with a "Beatnik Ball," something new, with traditionally well-dressed Bethelites attending in sloppy attire.

Three years of hoping, planning, and working have finally brought the realization of graduation and our diplomas.

With only two thirds of its time in Bethel Senior High completed the Junior Class has already made a substantial history. Last year as sophomores they created what looks to be the beginning of a Bethel tradition, the sale of Bethel sweatshirts. At the annual sophomore dance the Class of '61 combined the currently popular western theme with the idea of rock 'n' roll by calling their dance the Mave-Rock. Leading them through that year were Dick Travis, Ken Davis, Judy Wilfong, and Grace Ganter.

This year with officers Dave Haring, Sue Finch, Sue Davies, and Lois Bert, the juniors continued to be active. They sponsored two dances, sold Christmas cards, and bought their class rings, which were distributed just before and after Thanksgiving. As their class play they chose *Lute Song*, a famous Chinese drama that dates back several centuries.

Probably their most significant accomplishment was the presentation of the Prom to the seniors. Unfortunately, due to lack of facilities, the hardworking juniors themselves were not permitted to attend it.

But although its history is already notable, it is probable that next year as seniors this class will add a great many more things to its list of accomplishments before June, 1961 arrives.

The class of 1962 began its career in senior high under the leadership of John Kennedy, Donna Straub, Nancy Lickovitch, and Alex Kresge. But because it has more future than it has past in senior high, we decided to record the results of an informal poll taken to discover what the sophomores are looking forward to in their years ahead, rather than try to write a history.

We found that they are anticipating four principal events to come in the next couple of years. Many said that getting their class rings next year would be one of the most significant occasions in senior high. An equal number mentioned that they are looking forward to the planning and decorating that accompanies the presentation of the prom. They have already begun to save money for this project by selling Bethel sweatshirts.

The class of '62 also seems anxious to see the completion of the new school. Many are especially happy that they'll get to use the swimming pool for two more years. The last item that most mentioned as an important event to come was, of course, their graduation. But one student seemed to speak for a good many of the sophomores when he said, "Sure, I'm looking forward to graduation but I'm glad I've still got two more years to go."

Student Council and Executive Board

Even though they were in a new school without a regular meeting time or place at the beginning of the year, the Student Council functioned smoothly. The Foreign Exchange Program, the Princess Pageant, and bus proctors were projects that were continued. A student court was established to punish bus offenders. Also, a dance committee was formed that issued rules and regula-

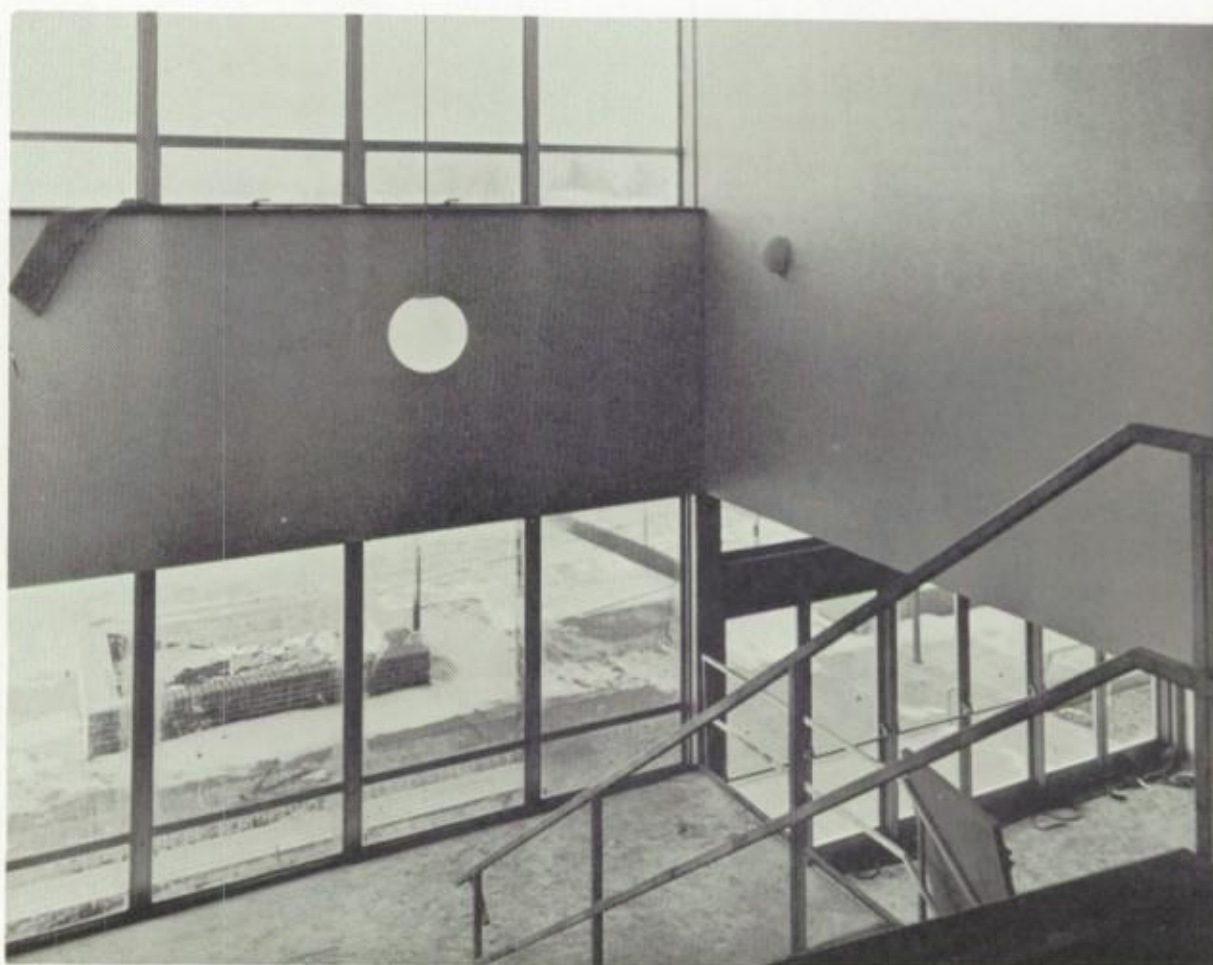

tions concerning school supported dances.

Many new problems confronted our Student Council, which, under the direction of Dan Stefko, they dealt with as efficiently as possible. Other officers were: Joe Daniels—Vice Pres., Beverly Simon—Recording Sec., Pat Franks—Corresponding Sec., and Phil DeHuff—Treas. The new sponsor was Mr. Flickner.

EXECUTIVE BOARD: *Seated*—Geisler, Eichleay, Vollmer, McBath, Simon, Abel, Davies, Fecke, Ganter, Franks.

Foreign Exchange Committee

During the 1959-1960 school year the Bethel Foreign Exchange Program completed its third successful year in bringing a foreign student to Bethel and made plans for the third Bethel student to be sent abroad.

The Foreign Exchange Committee, led this year by Pat Franks and Sue Davies, must raise twelve hundred dollars to finance this project. Six hundred twenty-five dollars of this is spent to bring a student to Bethel; the remaining five hundred seventy-five is used to send a student abroad. The largest amount of this money is raised by contributions from various organizations in the community along with the donations given by most of the school clubs. This past year the committee held three dances and sponsored several selling campaigns to raise additional money.

Through the efforts of the Foreign Exchange Program Bethel has received contact this past year with both Italy and Sweden. During the summer of 1959, Judy Hassler was sent from Bethel to Milan, Italy, where she lived for nearly two months in the fashion of an Italian teenager. During the 1959-1960 school term, Goran Nilson from Sweden has attended school in Bethel. And through the work of this year's Foreign Exchange Committee we can be assured that this project, probably the most valuable of all our newer undertakings, will be continued next year.

Key Club

The main objective of the Key Club is to create better conditions in our school and community. The Key Club is affiliated with the Bethel Kiwanis Club, a community service organization.

Our Key Club is under the leadership of Bill Neil, along with Dave Haring, Barry Scott, Dave Kercher, and Ralph Wisniewski, and is sponsored by Mr. Lucian J. Celetti.

In past years the Key Club sponsored Knickerty Knockerty plays, Christmas tree sales, and a "Get out and Vote" campaign. They have held many dances in the school, "The Penny Prom" being one of them.

National Honor Society

The National Honor Society is composed of students in the upper fifth of the class who have displayed these four qualities: scholarship, character, service, and leadership.

At the beginning of the year the club gave a tea to acquaint the faculty with our foreign exchange student, Goran Nilson. Miss Veronica Bertoline served as advisor to the club aiding Susan Fecke, Judy Hassler, and Sue Wilcox in directing its activities.

National Thespian Society

One of the new honorary societies being introduced in Bethel is the National Thespian Society, an organization promoting interest in the dramatic arts in high schools. The Bethel Chapter, Troupe 1953, received its charter in the spring of 1959 when the eight students required completed the necessary dramatic activities amassing a sufficient number of points.

This year, under the sponsorship of Mr. Paul Moch-nick, the National Thespian Society acts as a subsidiary of the Drama Club from which it naturally gets its members. Working with the club, the Society produces plays, sponsors theater parties, and encourages individual drama appreciation.

The National Forensic League is an organization that Bethel has just joined this year. It includes these fields: debating, original declamation, poetry reading, humorous, dramatic, and oratorical declamation, and extemporaneous speaking. The members of this society must acquire twenty five points to be listed as part of the National Forensic League. Anyone with a certain amount of speaking ability can enter these competitions. There are ten charter members in Bethel.

Quill and Scroll

Quill and Scroll is an International Honorary Society for high school students presenting superior work in the fields of journalism. To become a member of the Quill and Scroll one must: be in the upper third of the class, be recommended by the advisor, and be approved by the Executive Secretary of the Society.

This year in Bethel there are seven seniors who are members of this honorary club. Miss Jane Golden served as faculty advisor for Quill and Scroll.

Varsity Club

The Varsity Club of Bethel strives to encourage active participation in school activities. The club aims to increase school prestige through competitive sports. Their goal is to earn money to purchase Varsity jackets. This year, the members sold candy and refreshments at the football and basketball games, and sponsored dances to increase the fund. All two-year letter men

who are seniors receive these award jackets.

For the 1959-1960 year Don Murray served as President, Joe Daniels as Vice President, Bill Neil as Secretary, and Bob Watson as Treasurer. Coaches Mr. Reno and Mr. Carmody were the sponsors for the Varsity Club.

Beacon Editorial Staff

What effort did it take to produce this book? Theoretically we should have been a well organized machine that knew exactly what it was doing and how and when it would get everything done. Be that as it may, we accomplished our work in something less than this theoretical system of organization. The beginning of the year was characterized by brief, optimistic meetings at which little was accomplished. Our optimism changed to discouragement; we didn't like the plan of the book, and less than a month from the first deadline at the end of a late meeting and a long argument we threw away all we had done and began with an entirely new format. The next weeks were characterized by frantic searches for an accurate list of seniors (it seemed to change every day), a diminishing staff, louder and more frequent arguments, sudden realizations that a certain picture was missing and later and later meetings. After a harried Thanksgiving weekend and reorganization with the help of Mr. Grejda, our sponsor, we breathed a short-lived sigh of relief—the first deadline had been met.

We made new resolutions. This time organization would be our key word. There would be no arguments, few really late meetings, and we vowed that almost everything was to be done *before* the Christmas holidays. Our plans worked for several days before we fell back into our old ways and survived our second deadline only by enormous effort during Christmas vacation. We had learned our lesson to a certain degree, and the third and final deadline in February was met with slightly less difficulty.

What we worked for was this: a new and different way to present a picture of Bethel High School as it seemed befitted this entirely new and different school. We have tried our utmost to achieve accuracy, we have attempted to present an all-around view of the school, but above all, we have tried to produce a beautiful *Beacon* for 1960.

Beacon Subscription Staff

Beacon Advertising Staff

The Beacon Business Staff, headed by Editor Sue Fecke, was in charge of all capital in connection with the yearbook.

To finance the yearbook, the advertising staff encouraged local businessmen to advertise in the Beacon and to support the school.

Circulation Manager, Janet Ziner, was in charge of selling the Beacon to students and in keeping track of payments made.

The faculty advisor, Mr. Thomas Gray and his staff are to be congratulated for successfully financing the *Beacon* for another year.

Row 1—Stefko, Watson, McCloskey, Landau. Row 2—Burtoft, McBath, Kenah, Burns, Braum, Abel, Pryel.

The Hi-Lite, the Bethel monthly newspaper, chronicled the important news events of the 1959-1960 school term under the direction of Miss Jane Golden and Mr. Edward Grejda as sponsors and Karen Abel and Eileen Pryel in joint editorship. This year, with the Senior High School completely separate from the Junior High, the last page of the Hi-Lite, formerly devoted to Junior High news, was a continuation of Senior High features which meant considerably more work for the whole staff.

The paper now has a page format which usually places important news events on page 1, editorials and club news on page 2, sports news on page 3, and features on page 4.

It is a credit to the Hi-Lite that it is self-supporting. The money needed for publication is raised by the annual subscription campaign, monthly individual sales, and the price paid by the various merchants advertizing the Hi-Lite.

Ushers Club

The purpose of Ushers Club is to provide student ushers for school functions. The members were seen showing spectators to their places at such activities as games, class plays, open house,

and Commencement.

Mrs. Edmunds was the club advisor. Margaret Bush, Diane Zimmerman, and Cecelia McCloskey were officers during 1959-1960.

French Club

Sue Finch, Sally Simonson, Sue Davies, and Beverly Simon assisted by Miss Veronica Bertoline as sponsor led the French Club in their activities this year. Their first project was the celebration of St. Catherine's Day in November. The girls decorated hats to see who could have the most unusual one. In December, they went Christmas caroling in town. In Spring the club sponsored the annual French Club dance.

The Future Teachers of America, which has always been a very active club, carried out this tradition in the past year under the leadership of Kay Vollmer, Elizabeth Murray, Sue Wilcox, Sue Davies, and Susan Lytle with Mr. John Lubarski as sponsor. For their annual tour of a college, the F.T.A. chose this year to visit Grove City where they saw the training one undergoes to become a teacher. Each girl had a chance to teach an elementary school class for one day for further help in deciding whether she wanted to be a teacher or not. And toward the end of the year the F.T.A. held their annual Mother-Daughter banquet at which various awards were presented.

Junior and Senior Y-Teens

This year the Junior and Senior Y-Teen clubs worked more closely with each other and became less affiliated with the school. Members of the community YWCA led the two clubs in the joint activities of preparing Thanksgiving food baskets for the poor and organizing cheering card sections at the basketball games.

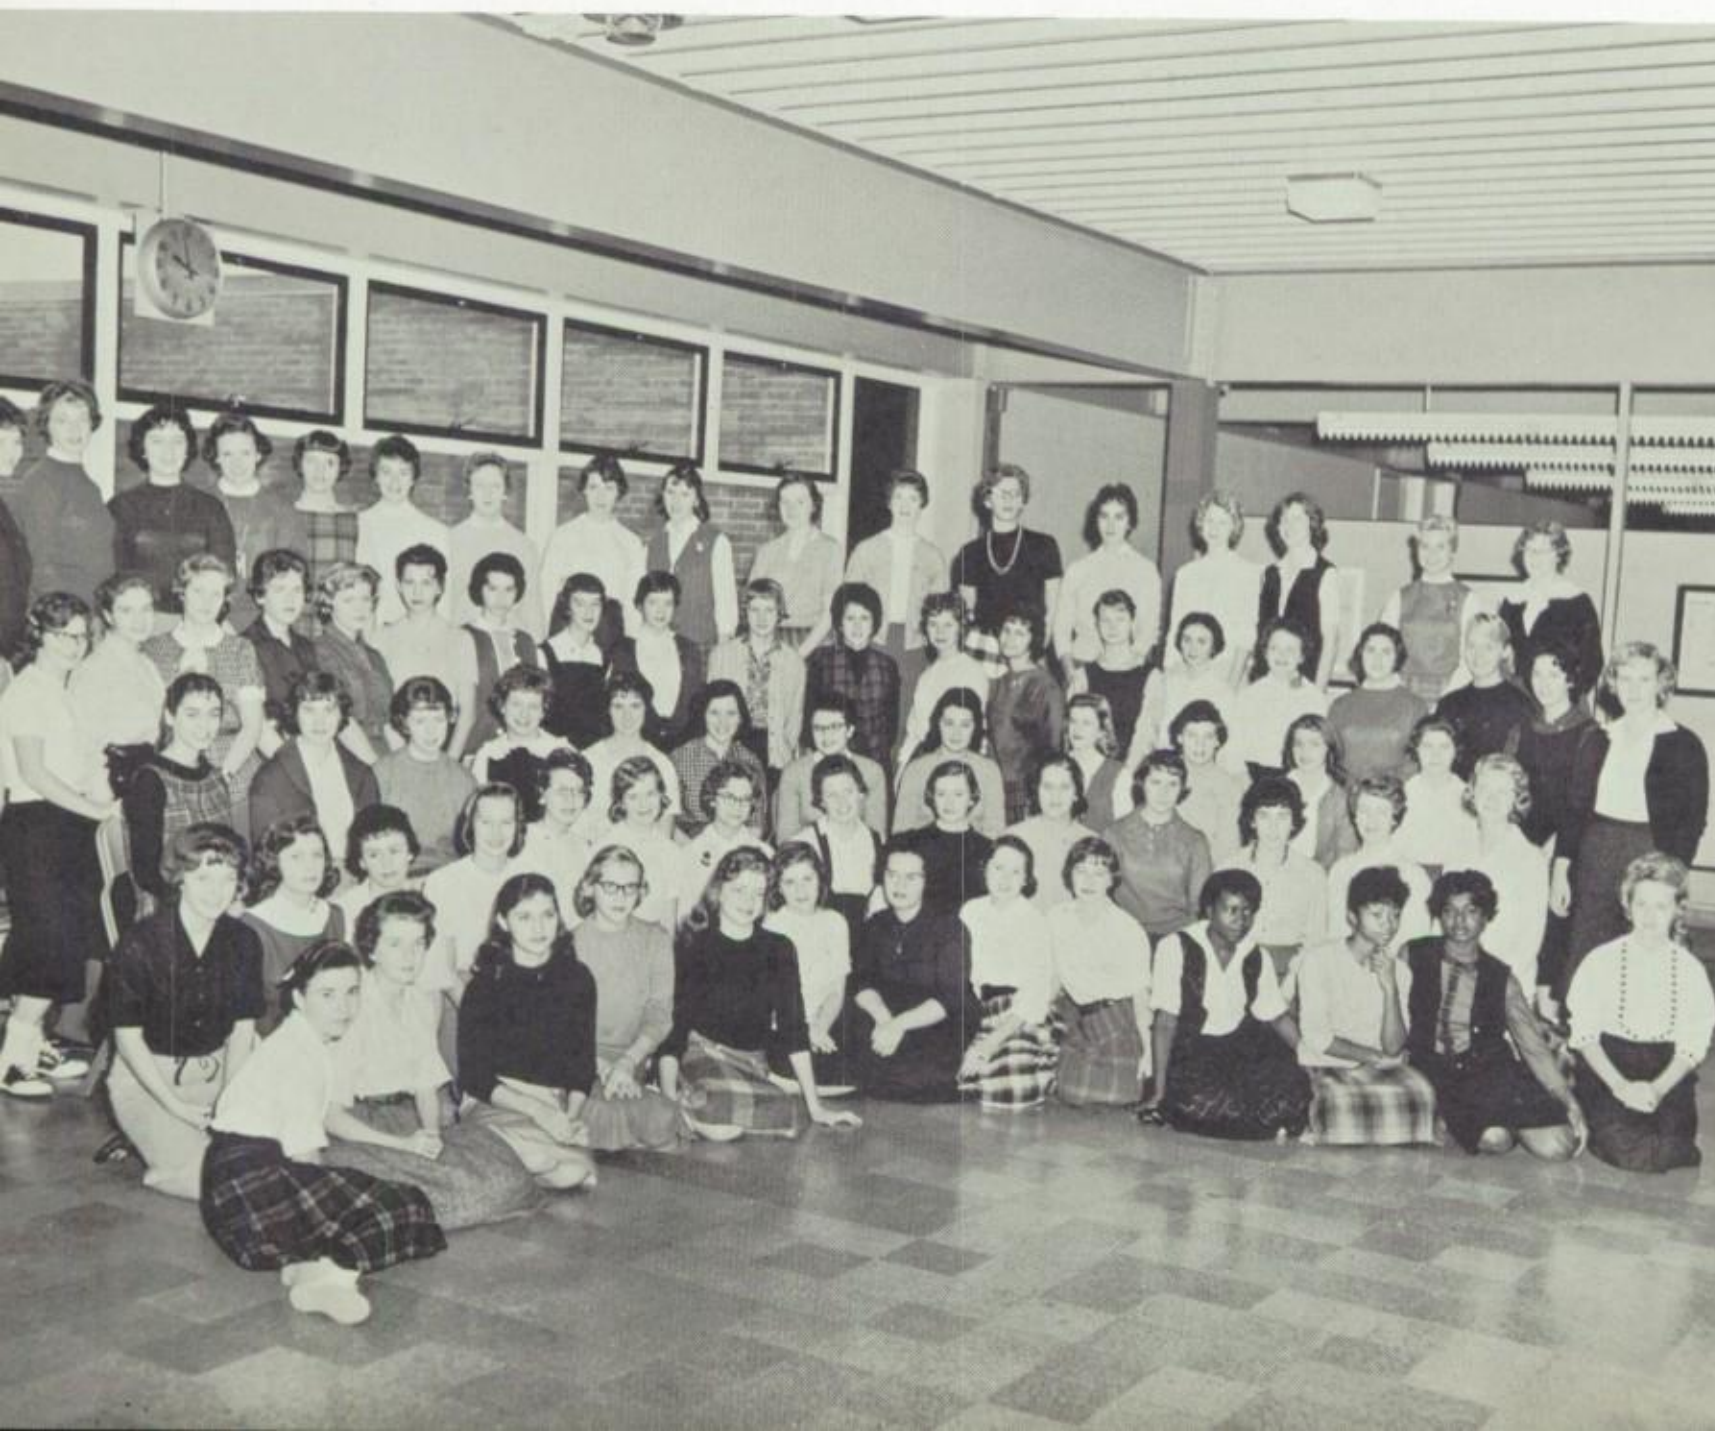

Although they worked together for most of the year after November each club had already accomplished several projects individually by this time. The Senior Y-Teens, under the leadership

of Sue Fecke, Lois Bohn, Karen Abel, Linda Gullum and Yvonne Reber sponsored a dance after the Monongahela football game and sent several members to a workshop weekend at Camp Carondawanna. The Junior Y-Teens led by Sue Finch, Pattie Smith, Nancy Keeno, Laurie Eichleay, and Eileen Pryel sold souvenir footballs, folded Christmas seals for mailing, and had the foreign exchange students, Goran Nilson and Judy Hassler, speak to their club.

Forensic League

Row 1—Wilson, Burtoft, Holtzapple, Washington, Evans, Dietrick, Kenah, Eichleay. Row 2—Scott, Dox, Towle, Beach, Borchardt, Gillan, Segur.

The Forensic League is a growing organization at Bethel. This year the club found it necessary to become part of the National Forensic League. In order to do this, at least ten members had to earn twenty-five points in Forensic meetings throughout the Pittsburgh area.

With the direction and sponsorship of Mrs. Dale Hopper, our Forensic League debated, and gave speaking performances along with other high schools of the district. The club officers, Joe Segur, Curt Borchardt, and Judy Evans, look forward to having established a successful branch of the National Forensic League in Bethel High School.

This year the Drama Club, in an attempt to insure the quality and interest of its members, limited the number of members to twenty, and required an audition of talent from all possible entrants. Sponsored by Mr. Paul Mochnick and lead by Winifred Kenah, Suzanne Paisley, Anne Tissue, and Judith Lovejoy, the Drama Club worked with the National Thespian Society to produce a play night in January consisting of two one-act plays, and several individual acts. The club also sponsored trips to the Nixon and Playhouse Theatres and worked to produce enough people meeting the National Thespian Society requirements so that the Bethel troupe may be continued.

Science Club

Row 1—Spencer, Segur, Georg. Row 2—Mr. Ciletti, Mr. Gennaula, Baughman, Harper. Row 3—Mr. Manson.

Evidence that the Science Club is not an ordinary club can be found in the fact that their officers are not the usual president, vice president, etc. but Chairman of meetings, Chairman of ways and means, Chairman of lectures and tours, and Chairman of projects. To these offices they elected Jack Spencer, Jim Georg, Ray Baughman, and Joe Segur. Formed last year under the sponsorship of Mr. Lucian Ciletti, Mr. Robert Manson, and Mr. Joseph Gennaula, the goal of their organization is to promote a creative interest in the various science fields by attending lectures, making special field trips, and, most importantly, making original science projects.

Under the guidance of a new sponsor, Mr. Haupt, and officers Dave McCall, Allan Beck, Francis Scheidel and Alan Yardis the Hi-Y carried out their traditional projects and initiated several new ones. They held an extensive series of basketball games played by boys in the Club, and, as is their custom, in February, held the Sweethearts' Ball for which they chose a queen from the Senior girls. Being in a new school prompted new customs, and for the first time this year new Hi-Y members had to undergo an initiation ceremony.

Future Nurses of America

The Future Nurses of America, sponsored by Mrs. Lytle, the school nurse and led by Nancy Schrader, Nancy Holtzapple, Jo Ella Bradley, and Eileen Harty carried out various activities designed to help them decide whether they really desired nursing as a career. Many of the girls are

Nurse's assistants and so receive some training in the school Nurse's office. They made several trips to local hospitals and the nurses' living quarters and for money raising projects, they sponsored a number of bake sales.

Nurses Assistants

The nurses' assistants are usually girls with a more than perfunctory interest in nursing. They relieve the nurse of small duties while they obtain a knowledge of what nursing is like. They perform filing jobs, aid in health reports, and run errands.

Office Assistants

Row 1—Bean, Zimmerman, Antonacci, Miller. Row 2—Vollmer, Davis, Rowsick, Lauderbaugh, Mucci, Benner, Tracy, Bert, Dawson.

The office assistants are tenth, eleventh, and twelfth grade volunteers who sacrifice their study halls to give help to the running of the administration. Their chores may vary, but they generally run errands, file, deliver the daily bulletins, and occasionally act as temporary receptionists.

Library Assistants

Directed by Miss Roberta Paisley the library assistants perform the more routine, clerical duties of the library. They admit and dismiss students on library passes, check books in and out, and do general library work.

Technicians' Club

The Technicians' Club, under the direction of Joseph Gennaula, provided all the technical aid for Bethel this year. They ran movies and slide projectors, helped with all audio-visual equipment, and controlled the electrical equipment for activities such as plays and dances.

There are certain qualifications a student must have in order to participate in the Technicians' Club. This limits the number of members in the club. A limited membership enables the club to run more efficiently.

Latin Club

The Latin Club, sponsored by Miss Jane Golden, had a very active year. In December the members held a Christmas Party and sang Christmas Carols in Latin. A discussion about the differences between Roman and American elections took place at one of their monthly meetings. A Valentine's Day Party followed in February.

The biggest event of the year was the banquet commemorating the founding of Rome. The slaves, first-year students, were required to serve the common people who were second-year students and the patricians and senators who were third-year students.

Chorus

This year, the Chorus, under the direction of Russel Becker, presented several entertaining programs for the student body and their parents. In December they presented the annual Christmas program. A spring program was next on the agenda, and an Easter assembly was also planned. At the end of the year, the chorus sang at Baccalaureate. Representatives were selected to attend county and district choruses.

Officers for the 1959-1960 season were: Robert Allan, Velma Costolo, and Michael Lankford.

Band

Under the leadership of Robert G. Schoeneweis, director, the Bethel Blackhawk Marching Band has carried through another successful season. They began the year by winning first prize in the Fireman's Parade at the Allegheny County Fair for the second consecutive year. The band marched at all the football games, and also in several national holiday parades. In the spring they presented their annual concert with the chorus.

Band officers this year were: Alan Schilling, president; George Towle, vice president; Tom Hill, treasurer; and Susan Boyd, secretary. Lillian Corcoran served as Publicity Chairman.

Bethettes

Bethel's Bethettes are an expert addition to our Band's performances. Under the sponsorship of Miss Mary Alice Stitt and led by head Bethettes, Nancy Holtzapple and Beverly Spohrer, the girls twirled their way toward orange B's and silver service bars.

Displaying their talents at the football games and in parades, the girls add a distinctive look in their black skirts and sweaters.

Chosen each spring according to ability and personal appearance, the Bethettes start practicing in summer and then work together year round to make Bethel High proud of the Bethettes.

Majorettes

KAREN ABEL

Our twelve majorettes have done a thorough job this year. Starting with majorette camp and daily practice in August, the majorettes performed with the Blackhawk Band at the County Fair, football games, Armistice Day parade, St. Patrick's Day parade, and Memorial Day parade.

Our visitors and spectators at football games saw the majorettes perform dance and baton routines, and the senior majorettes twirl batons of fire.

The majorettes are selected according to their marching and twirling ability, personal appearance, and scholastic standing. This year head majorette, Karen Abel, led the Majorettes toward their goals, the Bethel B's and service bars.

FOOTBALL

Coach Dan Galbraith's Blackhawks finished the 1959 football campaign with a 2-2-5 record. Memorable events in the season were the W.P.I.A.L. game of the week, on September 18, which the team lost in a dramatic fashion, 16-14, to North Hills, and the Thomas Jefferson victory. The Thomas Jefferson game was highlighted by excellent blocking by center Don Murray and his line, and bruising drives by Steve Misgalla, Joe Daniels, "Soup" Campbell, and Mack Clayton.

Throughout the season Bethel's gridders showed determination and good sportsmanship that never flagged, and they ended the campaign with the best record of the past several years.

BASKETBALL—1960

MT. LEBANON

Many factors have led to the winning of section 13 honors, but the most evident of these is the Mt. Lebanon game. This hard fought contest between age-old rivals can be considered the turning point of the season. The spirit of the team and of its boosters was tremendous. The 56-50 outcome was, in the words of a jubilant Blackhawk, "a real team victory!"

The following is a summary of the Blackhawks' undefeated league contests.

GLASSPORT

Shoddy shooting by both teams produced a meager 25-23 half-time lead for the Gladiators, however, the Hawks returned from the dressing room with a show of sharpshooting, snappy ball-handling, and great rebounding to forge ahead. Bob Watson and Steve Misgalla contributed 22 and 17

points, respectively, to the 56-41 victory.

WEST ALLEGHENY

Bethel never gave the visitors from West Allegheny a chance after the fired-up home "five" had assumed a 21-3 first quarter lead. The final score read: Bethel 54—West Allegheny 32.

THOMAS JEFFERSON

Bethel emerged the victor from a game saturated with fouls. The action was dominated by the Blackhawks, who played their usual airtight defensive game between foul shots. The 60-44 win was aided by Bob Watson, Jim Roy, and Dave Campbell who scored 14, 14, and 9 points respectively.

BRENTWOOD

An abundance of school spirit drove the Bethel boosters to watch the Blackhawks and the Spartans clash. After Bethel had gar-

nered a 12-10 first period lead, Dave Campbell started the drive which put the Hawks ahead to stay. The five foot nine guard's long shots helped the team to a 27-18 lead at the intermission. The whole team "circled" during the last half, and was never seriously threatened by the Brentwood quintet. The game ended 62-44.

SCOTT TOWNSHIP

Bethel gleaned a decisive 61-48 victory from an aggressive Scott High team with its employment of the fast break, which worked to perfection. The boys took a 3-0 lead, which they never relinquished, on a foul shot by Don Murray and a lay-up by Jim Roy, who was high scorer with 19 points. The lanky forward sunk 11-13 foul shots.

CRAFTON

The rabid Bethel fans had scarcely settled in their seats before a rough, fast-

moving contest brought them to their feet. Flailing arms and legs marked the close play of the first half, while Bethel's immutable zone and potent scoring attack high-lighted the explosive second half.

The significant fact of the 78-44 win was that each of the "starting five" scored in double figures. Bob Watson was high scorer with 16 points, while Jim Roy and Steve Misgalla had 12, Dave Campbell sunk 15, and Don Murray dumped in 11.

CARNEGIE

The Blackhawks ran from the huddle shooting; they blew open the tussle with baskets by Jim Roy, and Dave Campbell, and rebounds by Steve Misgalla. Carnegie also began explosively by sinking an assorted variety of hooks and jump shots. Dave Campbell pulled his team away to a 38-25 lead, however, with his 13 point splurge in the

THE SECTION XIII TITLE!

initial stanzas. The boys won their seventh league game 74-51.

GLASSPORT

The team began where it ended the season by thoroughly whipping Glassport 74-42. At the outset of the game the boys showed why they were leading Section 13 play. Their passes, fast-breaks, and superior "board" work dominated the action.

After scoring 18 points in the first half an apathetic Glassport team only knotted three more tallies in the third period. Bethel continued to score by adding 43 points to their initial total of 31.

WEST ALLEGHENY

The Blackhawks were seriously challenged in the first quarter, but managed to keep their 16-15 lead. Fouls against Bethel accounted for the closeness of the game. Even though Ray

Fox, Jim Roy, and Steve Misgalla fouled out, Bob Watson's last half surge and total of 20 points aided the team to a 76-58 victory.

THOMAS JEFFERSON

In this rematch fouls played a major role as they did before. Thomas Jefferson's indomitable determination brought it to a mere 36-33 half-time deficit. Don Murray played his best varsity game by pouring in a total of 17 points. Bob Watson, Steve Misgalla, and Jim Roy also took scoring honors by accounting for 15, 15, and 12 tallies in the 77-56 contest.

BRENTWOOD

A superbly coached Bethel team, in spite of a close first period, routed Brentwood 75-49. After assuming a 13-11 lead, the Hawks, led by Jim Roy's 23 points, showed the Spartans no mercy from their tight de-

fense and lusty offense.

SCOTT TOWNSHIP

Bethel was officially crowned Section XIII champ after a hard-fought duel with Scott. Scott, playing as though it were on the gridiron, made the Blackhawks hustle for every marker.

Ray Fox played a tremendous game, racking up 10 points and rebounding well until he received an injury in the fourth quarter. Dave Haring also proved the bench strength by contributing 8 points to the 69-59 win.

CRAFTON

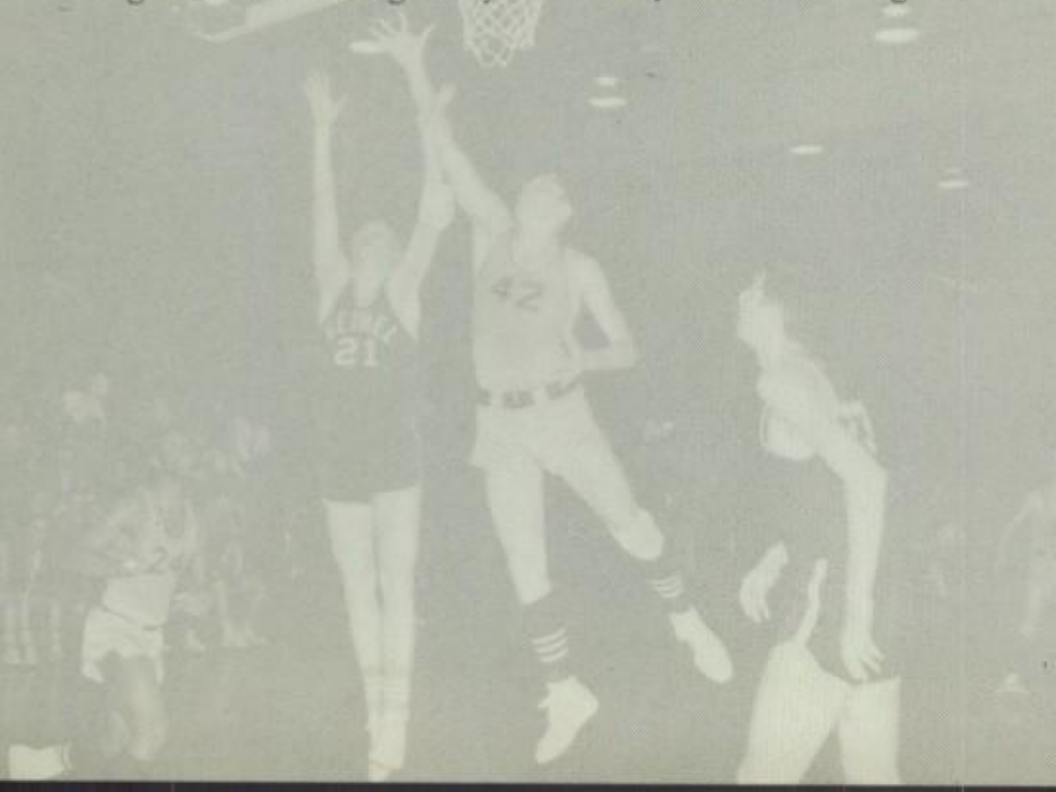

Instead of the easy victory that the 35-17 first half score indicated, the determined Crafton Cougars nearly conquered the Hawks. The 47-46 victory was almost changed by the spirited attempt of Crafton forwards Henderson and Gimbel, who, despite Roy

and Watson's 17 and 13 points, outscored Bethel 29-12.

CARNEGIE

Bethel extended its win streak to 15 and ended section 13 play undefeated with an 80-58 victory over Carnegie. The first two periods of play were hard fought as each team managed to match goals. Even Steve Misgalla's output of four consecutive baskets in two minutes didn't dampen Carnegie's spirit. Finally after the score knotted at 27-27, Bethel scored six quick points to take a 33-27 halftime lead.

The Blackhawks put the game on ice with a 27 point third quarter which was led by Bob Watson, who, in addition to scoring twenty-five points, displayed his defensive talents and rebounded well. Also prominent in the game was the play of floormen Ron Evans and Dave Haring.

Row 1—P. DeHuff, R. Evans, D. Murray, D. Campbell. Row 2—Coach D. Reno, J. Healey, R. Fox, J. Roy, R. Watson, D. Haring, S. Misgalla, R. Smith, Coach T. Carmody.

VARSDITY PLAYERS

The Field House Game

On February 29th at the Pitt Field House, the 1958 State champions, Farrell, battled Bethel before a capacity crowd. The 53-43 Steeler victory can be attributed to the Steelers' abundant experience and famed defense, although the opposition's assistant coach gave Carmody-men, Dave Campbell and Steve Misgalla, credit for doing an exceptional job of dribbling through Farrell's full court press. This facet of Steeler tactics has always left competitors without possession of the ball, but the Blackhawks' agile guards managed to survive the press and bring the team into scoring position.

The Bethel squad lost a first period struggle 14-13, and fell far behind the defense-minded Steelers at the half 30-19. Farrell guard, Mastrian, did most of the damage to the Hawks with his uncanny set shots from twenty feet behind the key. During this half, Bethel set an unprecedented record. It held Willie Somerset, top-scorer of the Farrell five, without a point.

Farrell accomplished its goal of fouling out center, Bob Watson, with 2:57 seconds left to play in the third quarter, and later rid itself of nemesis, Jim Roy. Steve Misgalla's three quick goals brought a spark of life to the team in the waning minutes of the third period, but Farrell put on the pressure and forced enough Blackhawk errors to keep the lead.

The school's enthusiastic supporters rose to their feet to salute the Blackhawks when the heroic Bethel squad congratulated the victorious Steelers.

JUNIOR VARSITY TEAM

Coach Don Reno's smaller edition of the bruising Blackhawks indicated that they were ready to defend the Section XIII crown with a mid-season array of victories. After beginning play with a depressing 1-7 record, the boys gained experience and confidence through the insertion of a regular line composed of Rick Leppla, Jim Healy and Gary Michalec and the excellent play of juniors Bob Smith at guard and Dave Haring at center. The team went on to its third straight winning season.

The junior Blackhawks finished the season in second place in the league, having won 11 and lost 3. Coach Reno was very satisfied with the squad's improvement and said that the boys deserve a great deal of credit.

... PRAISE FOR BETHEL FROM THE McKEESPORT *DAILY NEWS*

Make Fine Appearance

Bethel Neat Schoolboy Squad

**Athletes Must Wear
Dress Suits, Ties
To Away Games**

By DON DULAC

Daily News Staff Writer

Standing at the entrance to the Glassport High gymnasium were two well-dressed, healthy-looking youngsters.

"Good evening, sir," they beamed as I walked by.

"Hi, boys," I shot back. "Big dance after the game?"

They only smiled.

"Who are those two kids over by the door?" I asked the school custodian as I took my seat at the scoring table for the Glassport-Bethel basketball game.

"They're from Bethel," he replied.

Dressed in Suits

A short while later at least a dozen boys from Bethel walked by and went into the visitors' dressing room to "suit up" for the main contest. All were dressed in suits, wore shirts and ties.

Curious about the well-groomed appearance of the team, I questioned the Bethel coach, Tom Carmody, and the school's athletic coordinator, Preston Ditty, an old-timer to WPIAL fans.

"It's a policy at our school," said Ditty. "We feel that our athletes should look like the boys they are—gentlemen."

Ditty said he and Carmody launched the "dress up" policy four years ago in an effort to show that there is more to sports than just playing in games.

"We want our boys to realize that sports are just a part of growing up, although an important part," Ditty explained. "At first the idea didn't seem too popular with the boys but now they're proud to wear suits and ties to athletic events."

The policy also applies to all other sports at the school.

"Dan Galbraith's gridders are just as proud to appear well-groomed as the other boys," Ditty added.

Received Praise

Bethel's appearance and the sportsmanship of its players have received high praise from school officials wherever their teams have played.

Bethel High's well-dressed basketball team, which is becoming as famous for its neat appearance as its cage prowess, is shown above prior to a game at Jefferson High School.

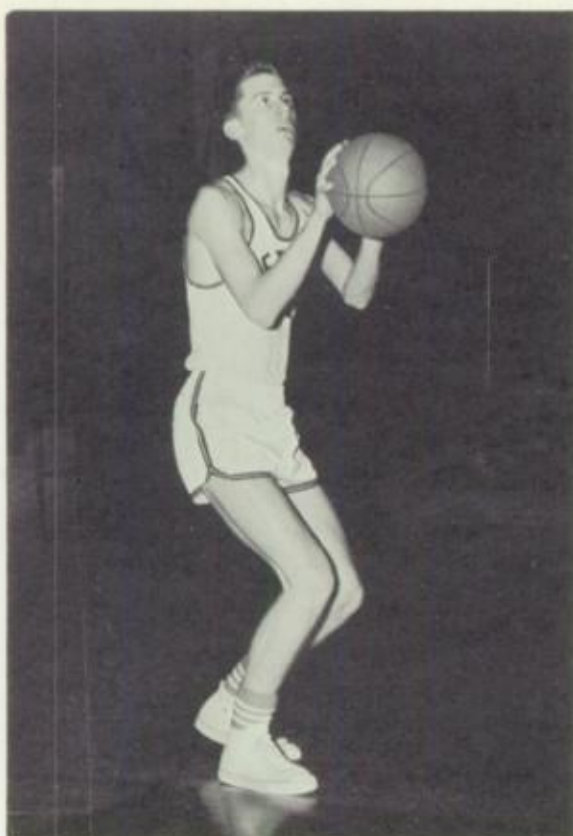

Crouching in front are David Campbell,

left, and Steve Misgalla, with Don Murray hunched over in the center. Standing, left to right, are Athletic Coordinator Preston Ditty, Jim Roy, Bob Watson and Coach Tom Carmody.

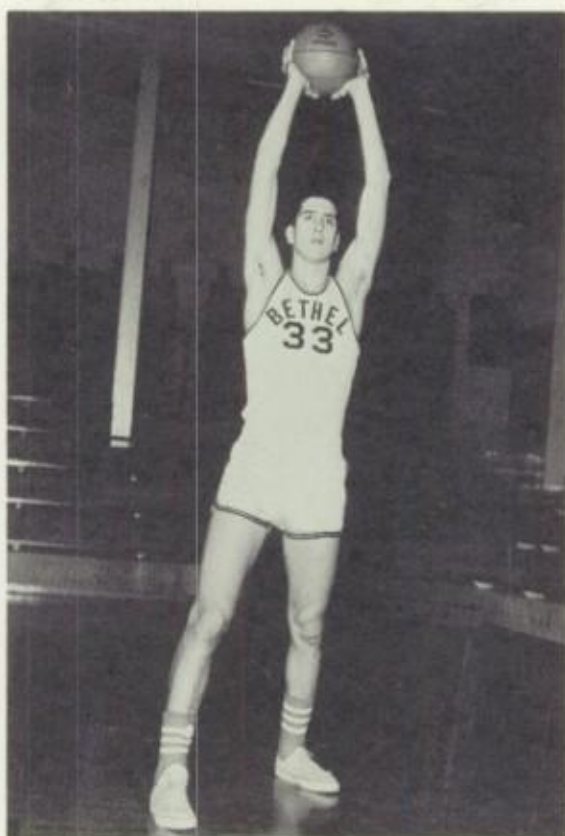

Bethel lost to Elizabeth-Forward in the recent West Penn Conference tournament. Bethel was defeated by three points as Watson scored 19 for the losers.

ing but he went to Mt. Lebanon as football coach during the war in 1942 and followed with five

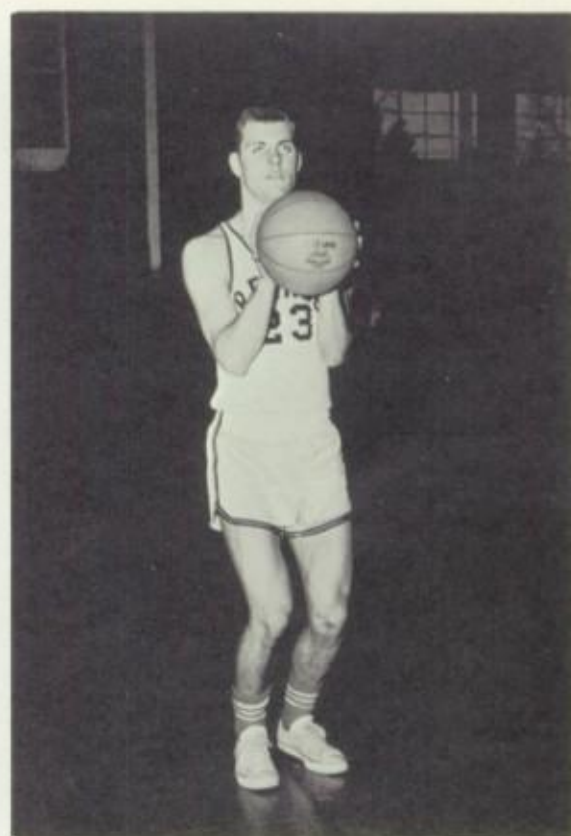

years as grid coach at Meadville Junior High. He arrived at Bethel in 1956.

BASEBALL

For the third consecutive year the Bethel Blackhawk baseball team has perched at the top of its section. Mr. Lyle Bergman and Mr. Donald Reno coached the "nine" to a 10-0 record. The closest of the hard-fought contests were the games with Peters Township, which Bethel copped 10-8 and 3-2 in eight innings.

The boys who brought victory to Bethel, and also earned themselves a letter, were: Phil DeHuff, Steve Misgalla, George Towle, Joe Daniels, Al Wilson, "Duke" Daniels, Willis Baker, Dan Sebolt, John Garda, Ken Hodgson, Jim Roy, and Jay Finch.

With the return of many experienced players and the addition of many hopeful rookies, Bethel fans can look forward to another section title in Baseball.

TRACK TEAM

The Bethel harriers, under the tutelage of Mr. Thomas Carmody, gained valuable experience from their second season of track participation. From the ranks of last year's top performers, lettermen Bob Steele, Ray Fox, and Mack Clayton are returning to form the nucleus of an experienced squad. With this team available, Bethel fans are hopeful of a successful season of track events.

The team accumulated six points against tough competition at the Allegheny County Invitational at Mount Lebanon. Last year's other scores are as follows:

Bethel	32	Brentwood	60
Bethel	46	Mt. Lebanon J.V.	62

RIFLE TEAM

The rifle team, coached by Mr. Emler and composed of 24 members of which six, Fred Fochtman, Bruce Gilfillan, Emil Liddell, Janet Mercer, Fred O'Reilly, and Rick Sahler are seniors, have had a successful year representing Bethel. After practicing on Tuesdays and Wednesdays at Logan School, the squad challenged other schools on Thursdays.

The most noteworthy event connected with the rifle team was the precedent it set concerning one of its members, Janet Mercer. The feminine sharp-shooter became the first girl to earn a letter in a varsity sport at Bethel High School.

GOLF TEAM

Mr. Allen Walbert's proteges of the links are anxious for the golf season to begin, for, with the exception of graduate Tim Parsons, all the members of last year's squad are returning. Letter-winning aspirants, Don Rees, Bob Kerr, Bob Cummings, and Ron Mahefky are prepared to improve the 1958 record, which showed only two victories, each over McKeesport.

Row 1—Nancy Hast, Claudia McKee, Beverly Rigatti, Beverly Simon. Row 2—Bonnie Laird, Grace Ganter, Lois Bert, Paula Shernisky, Sally Simonson.

CHEERLEADERS

Under the guidance of Miss Moore, the cheerleaders of Bethel Senior High School demonstrated their cheering skill by performing at all football and basketball games. For the 1959-1960 school term the cheerleaders were Nancy Hast, Claudia McKee, Beverly Rigatti, Beverly Simon, Lois Bert, Grace Ganter, Bonnie Laird, Paula Shernisky, and Sally Simonson.

The girls also sponsored the annual cheerleaders dance, and led cheers at the pre-game bonfires. The cheerleaders added much school spirit to the games.
